To whom it may concern,

This letter serves to inform current and potential customers, clients, and partners of FastTrack Software (the Company) of the Company's activity regarding compliance with certain cybersecurity compliance programs; chiefly, the implementation of NIST Special Publication 800-171r2 and its identical standard, the Cybersecurity Maturity Model Certification (CMMC) at Level 2.

The Company has engaged Sentinel Blue, a fully authorized CMMC Third Party Assessment Organization (C3PAO), to assist the Company in assessing their current implementation status of these standards, and to provide follow-on guidance to address and close any identified gaps in implementation. Sentinel Blue will be providing this assistance for both FastTrack Software's internal systems and its client facing systems.

FastTrack Software has expressed its intention to fully comply with the listed standards and to address any gaps identified in full. By engaging with a company like Sentinel Blue, the Company has demonstrated its commitment.

More information regarding Sentinel Blue and its authorization status as a C3PAO may be found at www.sentinelblue.com.

Sincerely,

Andy Sauer, CISSP, CISM, CCP
Partner & CISO
